

Applications. Site Visits. Renewals.

Premium features

“Epicenter streamlined our application and renewal processes. Now that we’re no longer chasing paperwork, we have time for robust and forward-looking conversations.”

Alyson Murphy, J.D.
Deputy Director | Grand Valley State University CSO | Michigan

Work smarter, not harder

Being responsible for everything that goes with running charter application processes, conducting site visits, and being positioned to make informed renewal decisions can be overwhelming. But with Epicenter on your team, you have a proven system that positions you for success. It works 24/7/365, so you don’t have to.

Professionalize your charter application process

Epicenter equips you to run a quality application process that is orderly, fair and transparent. Everyone benefits from ending the paper chase, eliminating excuses, and leaving the last minute drama behind.

Better for applicants

- ✓ Easy and secure web-based system for applicants to collaborate, add files and evidence, and submit their application
- ✓ Streamlines and customizes questions for different types of applications
- ✓ Prevents submission until all mandatory questions are completed

Better for authorizers

- ✓ Manages single or multi-phased application processes
- ✓ Sets and tracks access, monitors progress, and provides notifications and reminders
- ✓ Streamlines and coordinates the evaluations conducted by internal and external reviewers
- ✓ Enables reviewers to be assigned to entire applications or just specific sections
- ✓ Makes it easy to customize and print ratings, add comments and include evidence

Differentiate & focus your site visits

Schools are more than documents and data. Quality site visits provide valuable insights and let you see, hear and feel what's really happening.

- ✓ Works on any device – phone, tablet or laptop
- ✓ Configured for various types of visits – renewals, annual reviews, start-ups, and more
- ✓ Ensures focus and consistency so you get better results
- ✓ Makes it easier to generate reports, provide feedback, and make informed decisions

Be consistent & confident with your renewals

Schools, boards and authorizers benefit when the charter renewal process is clear, fair and transparent.

- ✓ Eliminates surprises and keeps everyone focused and in-the-know
- ✓ Ends the paper chase and leaves the last-minute scrambling and drama behind
- ✓ Stops duplicating efforts by leveraging historical data and documents
- ✓ Monitors and update progress so everyone is in sync
- ✓ Saves time and energy that can be used for forward-looking conversations
